

Primary 1-3 Sexual- Abuse-Preventive Program

This program uses a variety of multi-media aids, such as interactive games, puppet shows and animations, to teach students protecting themselves from sexual abuse.

Content of P1-3 Program

1. To know our body parts and private parts.
2. To respect the bodies of each other.
3. To identify good and bad touch
4. To understand what sexual abuse is
5. To learn what to do if being sexually abused.

(Program lasts about 1 hour)

Fee

\$15 / student

Mobile Classroom

The ECSAF Mobile Classroom is built in a 33 feet long and 12 feet high truck with a capacity of around 40 students. It is air-conditioned and contains audio-visual equipment. The Chinese version of this program has been launched since October 2001.
